Greetings,

My name is Saiful Islam, a 26-year-old Bangladeshi, studying software engineering at University Technology Malaysia, residing in Kota Damansara, Selangor, Malaysia. With 7 years of experience in programming and other professional domains, I am a skilled web application developer who is passionate about innovative technologies. My technical proficiency in AWS, full stack development, team leadership, and project management enables me to deliver high quality work and strive for continuous self-improvement. I am excited to join a dynamic team in an innovative and fast-paced environment and eager to showcase my noteworthy projects and contributions on GitHub at <https://github.com/saislamb97>.

EXPERIENCE

Coding Coach · Our Little Ones Empire ·

Aug 2022 – Present · Kota Damansara, Malaysia

As a coach, I train primary and secondary students in programming skills like web development, game development, and robotics. I also support teachers in creating innovative and engaging learning environments. I am compensated at RM70 per hour as a part-time employee.

Coding Teacher · Angsam Media Marketing Sdn Bhd ·

Aug 2022 – Feb 2023 · Kuala Lumpur, Malaysia

In my role as a coding teacher, I instructed and trained young children and teenagers in diverse programming skills, including game development, robotics, app development, and web development. I also provided training to new teachers joining our team. My full-time compensation was RM 3000 per month.

IGCSE ICT Teacher · Al-Hamra Integrated School ·

Sep 2019 – Jul 2022 · Kota Damansara, Malaysia

I educated Cambridge IGCSE examinee students on Information and Communication Technology to prepare them for the international exam. My syllabus included Microsoft Office 365, HTML, CSS, Microsoft Expression, basic computer hardware technologies, and more. My full-time compensation was RM 2500 per month.

Computer Operator · Afnan Library ·

2017 – 2018 · Dhaka, Bangladesh

As a computer operator my responsibilities included managing the book-recording system, creating necessary documents, and providing customer services.

Computer Operator · I-Tech Multimedia ·

2015 – 2017 · Dhaka, Bangladesh

Maintaining and troubleshooting technical instruments, preparing necessary documents as well as providing customer services.
