About Myself

Passionate Node.js and Python developer with over 7 years of experience in overall computer programming. Skilled in AWS technologies including EC2, Amplify, Lambda, Route 53, and S3. Strong background in teaching IGCSE ICT and computer programming. Proficient in Scrum and Agile methodologies for efficient project management. Committed to delivering high-quality solutions and fostering innovation.

Experience

IGCSE ICT Teacher at Columbia International School
May 2023 – Present · Cheras, Malaysia
My role is to teach and educate students on Information and Communication Technology (ICT) and prepare them for the IGCSE exam.

Programming Teacher at Our Little Ones Empire
July 2022 – Present · Kota Damansara, Malaysia
I have been teaching HTML, CSS, Scratch, C++, Python, JavaScript, Node.js. My students are mostly young children and teenagers.

IGCSE ICT Teacher at Al-Hamra Integrated School
Aug 2020 – Jul 2022 · Kota Damansara, Malaysia
I have educated and prepared the students on Information and Communication Technology (ICT) for the IGCSE exam in 2021 and 2022.
